Satellite Games I Used to Break Boredom
There are many satellite games at NASA

View World events through Satellite Data
https://worldview.earthdata.nasa.gov/

Satellite Insight- Differentiating between Data gathered by a satellite
https://spaceplace.nasa.gov/satellite-insight/en/

Uplink Downlink- Transmitting Data (This one is quick and worked particularly well in my group)
https://spaceplace.nasa.gov/dsn-game/en/

Juno Quest- Exploring Jupiter Game
https://spaceplace.nasa.gov/junoquest/en/#/review/junoquest/JunoGame.swf
